Dear sir/madam,

REF: APPLICATION FOR ENVIRONMENTAL OFFICER II

Refer to the title above concern.

With the reference of JA.9/259/01/B/18 on the advertisement of President's Office, Public Service Recruitment Secretariat which advertised on July, 2024, on behalf of MDAs & LGAs it is with great interest to have this opportunity to apply (ENVIRONMENT) OFFICER II vacancy.

My name is William Albert I am a Tanzanian citizen aged 34 years old, holding a Bachelor of Arts In Geography and Environmental Studies in 2015 from the University of Dar es Salaam, under the college of Social Science, passed with first class with honors, with four years (4) working experience, with different companies and organizations where I managed to work under minimum supervision and work under pressure in order to accomplish the intended goals for both company and organization. I have read and understood the responsibilities and duties of Environmental Officer II position, I am self-motivated personal, with good team spirit who requires minimum supervision to perform my task while supervising others and building teamwork. Am a quick learner person who want to learn new things and am ready to do any assignment that will be assigned to me in order to accomplish the intended goal.

I will be able to hold this post, because I am self-motivated and enthusiastic individual who enjoy challenges within the working place and I'm able to work independently with minimum supervision but also enjoy team working, I'm hard worker and eager to learn new methods/techniques of my career. I promise to be loyally and a good imitated model to the government. I am ready to appear for an interview where necessary. I hope my request will be well admitted and I am looking forward to hear from you.

Much Regards,

William Albert
